Our Team Expects

Students are to follow the guidelines set forth in the cardinal codes: make school a safe environment, use appropriate conversation, exhibit positive public behavior and classroom manners, get along with others, and care for property.

Behavior Interventions:

- 1 – Warning/Minor Incident Report (MIR)
- 2 – Team Meeting-Student
- 3 – Team Meeting-Parent
- 4 – Office Intervention

Homework Policy:

The teachers on this team will give homework regularly. Our expectation is that homework will be finished for the next class period. Before or after school tutoring is available for students with incomplete assignments and assessments.

Cardinal Time:

Cardinal Time is a place where students are able to monitor their academic progress, keep up with their work, and are provided with interventions to help them be more successful in all content areas.
